

Prepare for Your Passport Appointment

Review the information provided for you at stanlaw.org/passports.htm This will improve your odds of being able to submit your application successfully.

- ❖ Arrive on time, and come inside no more than 10 minutes before your appointment. If you are late, we will be unable to process your application.
- ❖ Bring your library voice. The Law Library is a quiet place; our users are working on legal projects. Please respect the quiet professional atmosphere of the space. Cellphone use is not allowed in the Law Library.
- ❖ Check your documents ahead of time. If we are unable to process your application because of improper documentation it will significantly delay your application process. You need originals plus photocopies before you come.
- ❖ **Bring the attached checklist** with you to your appointment
